SoftTech and CDCi sign an agreement to offer software products and services under CIVIT Platform to Malaysian AEC industry

SoftTech Engineers Limited, India (SoftTech) inks MoU with CDC international (CDCi) on July 21st, 2023 at their Malaysia head quarter to extend SoftTech's comprehensive suite of software product platform CIVIT for Digitalization of Government and Corporate construction and Infrastructure industry.

SoftTech is a leading provider of cutting-edge technology products & solutions for the construction and civil infrastructure sector, helping digitally transform the AEC industry. Equipped with 25+ years of deep domain expertise and industry knowledge, SoftTech has empowered more than 800 clients & government organizations, with more than 25000 users.

CDC International Sdn Bhd (CDCi) was established in 2014 and is an e-Commerce service provider that develops and manages an eProcurement system called SPEED for agencies, states, local municipals, universities, banks, and corporates. CDCi also maintains and operates the supplier's registration system. Currently, it has over 100,000 companies ready to do the transaction with the buyer via SPEED. By leveraging CDCi's specialized experience and extensive footprint in Malaysia, SoftTech aims to offer unparalleled value to private construction companies as well as statutory authorities in Malaysia.

The CIVIT Platform's comprehensive suite of offerings will empower Malaysian AEC clients to optimize efficiency, boost profitability and make well-informed decisions that drive sustainable growth. With a steadfast conviction in the effective complementarity of their services and solutions, SoftTech and CDCi are keen to unlock the vast array of possibilities that this partnership holds for their businesses.

Commenting on the partnership, Mr. Vijay Gupta, CEO and Founder at SoftTech said, "We are thrilled to join forces with CDCi to extend our innovative software solutions and services under the CIVIT Platform to the Malaysian construction industry. As a part of our expansion strategy in the Asia Pacific region, this partnership will strengthen our commitment by bringing in vast experience, customer reach, technology expertise and innovations of CDCi in serving the Malaysian AEC stakeholders for the last 20+ years. This collaboration will undoubtedly enhance the construction industry's efficiency and effectiveness, streamlining processes and delivering exceptional results. We look forward to making a significant impact and fostering growth in the region with our advanced technology expertise and experience".

On July 21st, 2023 at the headquarters of CDCi Malaysia, the MoU was signed between the two companies represented by Mdm. Putri Nurul Ida Yahya, CEO of CDCi and Mr. Vijay Gupta, Chairman and CEO of SoftTech in the presence of the Group CEO, COO, VP-Tech Solutions Group, VP Business Development and Team of CDCi and VP-Sales of SoftTech.

About SoftTech

SoftTech offers innovative products and services to help drive digital solutions in the infrastructure and construction industry. Founded in 1996, SoftTech, a publicly listed entity in NSE and BSE, is equipped with 25+ years of industry expertise. SoftTech has empowered digital transformation in the construction and infrastructure industry through innovative software products. Leveraging the power of Artificial Intelligence (AI) with robust frameworks. SoftTech's solutions are designed to drive higher productivity, increased efficiency, substantial cost savings and help clients achieve their sustainability goals.

SoftTech is powered by over 500 professionals including technologists, AEC specialists, and Subject Matter Experts who drive our innovations and deliver value to customers.

With a presence across India, US, UK, Singapore, and MENA, SoftTech has deeply engaged with clients to help them sustain and enhance their competitive edge by fundamentally transforming the status quo. More than 600 organizations and over 100,000 users are supported by SoftTech. More than 1 million building permits have been approved through SoftTech solutions covering more than 1 billion+ sq ft area. With 'CIVIT' as a platform, SoftTech has combined decades of deep domain understanding and solutioning to offer a suite of products that cater to the complete construction project life-cycle – starting from plan to permit to build and then operate.
