SoftTech Engineers Founder & CEO, Mr. Vijay Gupta honored with Lifetime Excellence Award at Digicon powered by AutoDesk Construction Cloud.

Mumbai, India: SoftTech a leading AEC software & services company announced that Mr. Vijay Gupta, Founder & CEO of SoftTech Engineers, has been honored with the Lifetime Excellence Award for his remarkable contributions through technology-led innovations and visionary leadership in the AEC industry at Digicon India - India's leading summit on Digital Transformation in Construction & Project Management, **powered by AutoDesk Construction Cloud.**

Mr. Gupta's dedication has set new standards for excellence, particularly with the development and implementation of AutoDCR[®] (CivitPLAN + CivitPERMIT), a proven e-Governance solution for single-window clearances. AutoDCR[®] is a cutting-edge online software designed for the scrutiny and approval of building plans for construction permits. Utilizing advanced AI & ML technology, it analyzes CAD drawings and verifies their compliance with applicable regulations, streamlining the approval process for competent authorities. This innovative software offers a convenient and efficient solution to ensure building plans adhere to required standards and regulations, ultimately enhancing the overall efficiency and transparency of the construction permitting process.

Under Mr. Vijay Gupta's visionary leadership, SoftTech Engineers has developed and implemented several groundbreaking products. CivitPLAN automates regulation compliance checking of CAD plans and BIM models, while CivitPERMIT provides a single window approval system for plan reviewing authorities. CivitINFRA serves as a public works information management system, and CivitOPERATE focuses on optimizing AEC efficiency to drive sustainability. Additionally, CivitBUILD offers comprehensive construction ERP software. These innovations reflect Mr. Gupta's commitment to leveraging technology to drive advancements in the AEC industry across the globe.

SoftTech Engineers has successfully implemented the AutoDCR[®](CivitPLAN + CivitPERMIT) system in more than 800 local bodies in India. This milestone exemplifies Mr. Vijay Gupta's unwavering commitment to driving technological advancements in the AEC industry globally.

Commenting on this momentous award, Mr. Vijay Gupta remarked: “I am honored to receive the Lifetime Excellence Award. Our technology revolutionizes entire construction life cycle management by enhancing efficiency and transparency. Implementing technology to real use showcases SoftTech's commitment to AEC industry innovation, paving the way for a more empowered India.”

About Author:

Mr. Vijay Gupta, an IIT Mumbai alumnus, is the Founder, Chairman and Managing Director of SoftTech Engineers Limited. He holds an M. Tech degree from IIT Mumbai. Vijay strongly believes that technology has to be leveraged extensively to bring in speed, efficiency and transparency in the AEC (Architecture, Engineering & Construction) industry for private as well as public sector organizations.
